**TO WHOM IT MAY CONCERN**

Dear Sir/Madam

**MSA Public Liability and Professional Indemnity Insurance**

The Motor Schools Association of Great Britain Ltd (MSA) holds Public Liability Insurance in the sum of £10,000,000 and Professional Indemnity insurance in the sum of £5,000,000 for MSA and for MSA members **engaged in any driver training that they are qualified to deliver.**

The policy is provided by Hiscox, policy number HU PI6 1677040 (115)

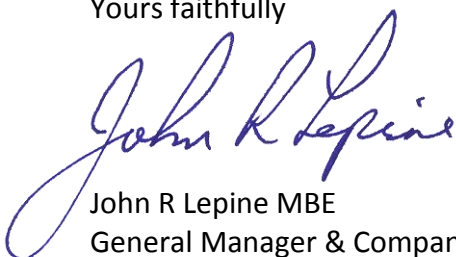

The policy expires 31st May 2017 the MSA will renew this policy on the due date or purchase a new policy with similar cover.

The public liability insurance protects members where a third party makes a claim, caused by the negligence of a member, for personal injury or damage to property, not belonging to the member, when outside the car. Example: MSA Member working in a classroom environment. Because of the negligence of a member, someone is hurt and property not belonging to the member is damaged - member covered.

The professional indemnity insurance covers MSA members in case of action taken against them by a third party for professional error negligence or omission in the professional advice they give to the public. Example: MSA member working in a vehicle. MSA member gives instruction to a client to take an action the action results in the person they have given the instruction to being injured - member covered.

I trust this information is sufficient for your requirements however, should you require further details please do not hesitate to contact me.

Yours faithfully
